We are imagining making an artists house

A house to practice in as a public artwork  
A house as a social house

A house to rehearse ideas

A house as an outpost

A house for a keyworker

A social house

A house that is not a home  
A house that is not a financial tool

A home that is a public good

20 May to 15 July 2017

Public preview  
Friday 19 May, 6-8pm

Eastside Projects makes art public

Eastside Projects is an artist-run multiverse, commissioning, producing and presenting contemporary art practices. We are an Arts Council England National Portfolio Organisation in partnership with Birmingham City University.
