

## #twenga4 'Class Limits'

17 April – 5 May 2013

Paul Conneally @[LittleOnion](#)  
Gavin Wade @eprjcts

#1

travelling first class  
missing the second class  
conversation

#2

his sandwich filling  
in need of horseradish

#3

come rain or shine  
the newspaper seller' s  
cap sleeved shirt

#4

her candle flickers  
as she discovers the truth

#5

a swarm of bees  
hanging down from  
an old man' s chin

#6

Irene fears being skewered  
by falling stalactites

#7

I stare for ages  
under the great wave  
at Mount Fuji

#8

strolling in the nude  
his wonky tattoo twists

#9

the pie is fine  
but not quite enough gravy  
for her mash potato

#10

half watching the avengers  
on a plane to Mumbai

#11

just when did  
The Mighty Atom  
become Astro Boy?

#12

through my decaying window  
the cherry blossoms

#13

recruits swap tips  
on the finer points  
of spit and polish

#14

we find the old gas fire  
at the back of the garage

#15

all the evidence  
seems to suggest  
impulsive suicide

#16

the AI contemplates  
the on-and-offs of sex

#17

it' s amazing  
how good it feels  
under the moon of love

#18

wiping dust from his eye  
the miner checks the score

#19

a shovelful of dung  
in a plastic bag  
for granddad' s roses

#20

Alisher feels no shame  
over his growing wealth

#21

after the news  
we join The Red Army Choir  
at The Albert Hall

#22

one cannibal' s admiration  
for another

#23

a butterfly flutters  
out of her mouth  
loud laughter

#24

the symmetry  
of simulations

#25

a buy one  
get one free offer  
to end all offers

#26

we clear the gallery  
in eagle-feather warbonnets

#27

remote controlled drones  
homing in on  
a village mosque

#28

the scalextric track  
takes Nigel' s breath away

#29

for the first time  
the kids make their own  
holiday plans

#30

her parents agree  
property is not theft

#31

squatting in darkness  
behind the cottage wall  
she chants the spell

#32

lettuce laced  
with walnuts and sliced apple

#33

he catches sight  
of her underwear  
as she plunges in

#34

a sandcastle topped  
with a starfish

#35

built for the third time  
the library dreams  
about forgetting

#36

Carl Jung' s six-pack  
waxed and defined in oil

#37

his first  
Alcoholics Anonymous  
the shakes kick in

#38

on Orange Street  
the beat retreats

#39

her favourite place  
is this dacha  
in these Welsh woods

#40

daffodils bent low  
by the constant rain

#41

the copper piping  
under my front room  
spells out ' HELP'

#42

Dad' s dowsing rods  
are never wrong

#43

petrol splashes  
on her feet  
she lights the match

#44

nasturtiums run riot  
in the back border

#45

neoliberal auctioneers  
sell off the NHS  
to their mates

#46

pond weed hanging  
from a swan' s beak

#47

my nine year old  
royally whupps my ass  
on his new wii game

#48

a conker from last year  
should sort things out

#49

Jim tries to quantify  
the benefits  
of cutting the grass

#50

an elephant' s  
short-term memory

#51

Lubetkin' s geometry  
expunged of the whiff  
of captive beasts

#52

girls play two-balls  
against the gable end

#53

the cub' s bravado  
gone with the wind  
rain and hail

#54

a Glasgow kiss  
from someone who knows how

#55

just a loose wire  
thinks the curator  
as the video glitches

#56

the head gardener  
suggests a winter mulch

#57

Red Breast  
gives the last worm  
a warning tut

#58

all heaven' s rage  
in a teacup

#59

buttering up the office  
Ruth passes round  
her posh biscuits

#60

a wicker basket  
full of love and barley

#61

reluctant squarks  
and half spin fermions  
superpartner

#62

the conductor beams  
at the string section

#63

I get service  
with a conscience  
from the restaurant staff

#64

a sip of red wine  
and a dry wafer

#65

he can't believe  
the exchange rate  
for the euro

#66

to Skegness and back  
with the Working Men's Club

#67

in the interview  
his Viking beard  
makes him overconfident

#68

it's no good calling us in  
we've lost an oar

#69

since her creek dried  
Beth drinks Evian  
to shear the sheep

#70

the poacher's toes curl  
in his Wolsey socks

#71

a double yolked egg  
and three rashers of bacon  
on a big white plate

#72

she feels pregnant  
she' s sure of it

#73

the cabbie swears  
as his car bottoms out  
on a speed bump

#74

Constable Gull dreams  
of the Masonic order

#75

Winston picks up  
a trowel to fend off  
his black dog

#76

blissing out in his bedroom  
to his old 90s bleeps

#77

now the kids are grown  
they consider  
downsizing the house

#78

a sand martin darts  
into its burrow

#79

up on the downs  
the psychotherapist  
walks the talk

#80

women' s hour focuses  
on the sulking room

#81

the garden shed  
smells of home brew  
and stale tobacco

#82

Professor Morello  
measures the baby

#83

twenty-five cherry stones  
are all she needs  
to prove he loves her

#84

a heart shaped patch  
on the wasteland

#85

the morning walker  
thinks can we build  
something new here

#86

Andy double checks  
the scaffolding regs

#87

a photocall for  
the family with  
the tallest sunflower

#88

touching the arid moon  
from the Burj Khalifa

#89

his last wad of cash  
spent on a base jump  
into the abyss

#90

the science fiction writer  
attempts to sublime

#91

the widow' s mood  
moves from ice to air  
in an instant

#92

she likes her coffee  
black and strong

#93

pulling him in  
the rhythm, swing and sway  
of a mamba

#94

the old chat up lines  
aren' t working tonight

#95

crossing the sound  
the flash of the back  
of a bottlenose dolphin

#96

I tease out the message  
it' s from San Servolo

#97

the cut and shuffle  
of a card school  
at Tooting Bec Lido

#98

my skin slowly repairs  
in delicate layers

#99

pear blossom drifts  
across the driveway  
and into the porch

#100

the machines upper limits  
surprise the engineer
